Dear Ronald:

You are listed as one of the inventors for a Reissue Patent Application for Patent Number 5,764,951 which was filed on June 8, 2000, entitled "Methods for Automatically Pipelining Loops."

As part of the Reissue Patent Application process, you signed a Declaration which stated that the claimed invention in the issued patent was not as broad as you were entitled to receive. This Declaration must be renewed at the close of the Reissue Application process. Since we are at the end of this process, we need to obtain a signed Declaration from each inventor which states that the modifications made in the Reissue Application were due to the fact that the claimed invention in the issued patent was not as broad as you were entitled to receive.

Please review the attached Declaration and please sign the declaration and fax it back to me at 530-759-1665 or mail it back to me in the enclosed self-addressed stamped envelope. I have also included the most-recent response to the Office Action in this letter.

Please call me at (530) 204-4040 or email me at [gilbert@parklegal.com](mailto:gilbert@parklegal.com) if you have any questions.

Yours truly,

Jeannie Camara for
